Giulia, from Manchester

I really like London. It's a great city! You can do anything you want and there are a lot of shops. I love shopping! When I go there, I always go to Buckingham Palace. I hope I can see Prince Harry or Prince William. I also think the guards are very funny with their hats. I like to go there by train or by car because you can see how green our country is: full of big fields and grassy hills. If you take the plane, you cannot see all this!

Max, from Lytham

My favourite place is Blackpool. I really like that town ... It's close to my city. Even if it's not a very big city, it's really nice: there are so many people coming here ... especially in summer. Before getting married, couples often go to Blackpool for parties. There is also Blackpool Tower. I like it because it looks like a small Eiffel Tower. When I'm not at school, I play the guitar and in Blackpool there are a lot of opportunities for musicians like me! Finally, I like walking on the beach as well. Many times, you can see donkeys. These animals are so funny!
