Dear Mary,

How are you? I'm having fun with my cousins in our new flat. My new flat is very big. We have three bedrooms, a kitchen, a dining room, two bathrooms, a living room and a big hall. So, I have my own bathroom. That's really great!

It's quite hot outside but it's we love it because summer must be hot and sunny! In the morning we wake up early to have breakfast and go for a walk. After that we have some rest and have lunch with my parents. They don't work now, so we can spend more time together. Sometimes after lunch we go swimming in the lake, or play computer games.

And you know what? My father is fishing now and we are going to the lake to help him. I really like fishing. But I like swimming more. We will probably cook fish soup in the evening.

See you soon,

Alice.
